ANALYSIS

Since the expiration of their contract which was awarded as a result of a competitive bid process, Armor Security, Inc. has been providing security services for the City's parking garages, parks, bass museum, and other locations on a month-to-month basis.

As a result of the tragedies of September 11, 2001, the Administration after many months of preparation with consideration on public security improvements, has issued a comprehensive Invitation for Bids (Bid) with a deadline for Bid submission of February 15, 2001. The Administration anticipates that after thorough review of the Bids received, an award recommendation will be presented to the Mayor and City Commission at its March 20, 2002 meeting.

The total amount that will be incurred from October 1, 2001 through March 30, 2002, is \$387,000. It is therefore the recommendation of the Administration that the Mayor and City Commission approve the use of Armor Security on a month-to-month basis for an estimated amount of \$387,000 until such time that a new contract is awarded.
